

Dream of You by camila cabello

He's a bad dancer  
He's a right answer  
He's a shy singer  
Most of the time, that's just him and I  
He's an over-thinker  
He's a slow kisser  
A confessed sinner  
All of the time when it's him and I

And you squeeze my hands two times, three times  
And believe me, I love you always, always

All I do, the whole day through, is dream of you  
All I do, since I met you, is dream of you  
So could you stay with me, lay with me? Talkin' 'bout nothing, yeah  
All I do, the whole day through, is dream of you

I was not living  
I was just writing about it  
With my head spinning  
Days passing by most of the time, yeah

And you squeeze my hands two times, three times  
And believe me I love you always, always (always)

All I do, the whole day through, is dream of you (all that I do)  
All I do, since I met you, is dream of you (all that I do)  
So could you stay with me, lay with me? Talkin' 'bout nothing, yeah  
All I do, the whole day through, is dream of you (all that I do)

I dream with you, I dream with you  
I dream with you, yeah, only you

I dream with you, yeah, only you

I dream with you, ooh

Please say you dream of me too

Can you?

Please say you dream of me too

Whoa, boy, boy

All I do, the whole day through, is dream of you (all I do)

All I do, since I met you, is dream of you (since I met you, babe, since I met you, babe)

So could you stay with me, lay with me? Talkin' 'bout nothing, yeah (talk)

All I do, the whole day through, is dream of you (all I do, all I do, all I do)

I dream with you, I dream with you (all that I do)

I dream with you, yeah, only you

I dream with you, yeah, only you

I dream with you (yeah, yeah, yeah, yeah)

All I do, the whole day through, is dream of you
