

Liar by camila cabello

I don't care if you're here  
Or if you're not alone  
I don't care, it's been too long  
It's kinda like we didn't happen  
The way that your lips move  
The way you whisper slow  
I don't care, it's good as gone (uh)

I said I won't lose control, I don't want it (ooh)  
I said I won't get too close, but I can't stop it

Oh no, there you go, making me a liar  
Got me begging you for more  
Oh no, there I go, startin' up a fire  
Oh no, no (oh no)  
Oh no, there you go, you're making me a liar  
I kinda like it though  
Oh no, there I go, startin' up a fire  
Oh no, no (ooh)

You're watching, I feel it (hey)  
I know I shouldn't stare (yeah, yeah)  
I picture your hands on me (I think I wanna let it happen)  
But what if, you kiss me? (Yeah)  
And what if, I like it?  
And no one sees it

I said I won't lose control, I don't want it (ooh)  
I said I won't get too close, but I can't stop it (no)

Oh no, there you go, making me a liar  
Got me begging you for more

Oh no, there I go, startin' up a fire  
Oh no, no (oh no)  
Oh no, there you go, you're making me a liar  
I kinda like it though  
Oh no, there I go, startin' up a fire  
Oh no, no

Oh no, no, no  
Here comes trouble, no, no  
Startin' up a fire

I don't believe myself when I  
Say that I don't need you, oh  
I don't believe myself when I say it  
So, don't believe me

Oh no, there you go, you're making me a liar  
Got me begging you for more  
Oh no, there I go, startin' up a fire  
Oh no, no (oh no)  
Oh no, there you go, you're making me a liar  
I kinda like it though  
Oh no, there I go, startin' up a fire  
Oh no, no

Yeah, uh, yeah  
Uh, yeah  
Oh no, no, no, oh no, no, no  
Oh no, you're making me a liar  
'Cause my clothes are on the floor

Huh, huh, huh, uh  
Oh no, no, no  
Another fire
