

This love by camila cabello

No, no, no

Know just how to make me miss ya
When I'm feelin' sentimental
Goin' in our separate ways
But when I'm back here in the middle
Losin' you I couldn't face
But to love you is worse
Waitin' for ya just in case
One day it doesn't hurt, nah, nah, nah

Said it's the last time, but nah, nah, nah, nah
Just like the last time, yeah, nah, nah, nah, nah
Tired of building up my walls, yeah
Just to watch them fall again

So fuck this love callin' my name
Get out of my veins
If you need your space, then just walk away
You know how to fuck me up, then make it okay
I guess that's your just game, and I'm the one who gets played
Again, and again, and again, and again

Maybe you should set me free
Maybe I don't really want you to
Maybe I just wanna be
Be the person that you just can't lose
If you're gonna leave, then go
If you need me, let me know
Love me or just let me go
But no, nah, nah, nah

Said it's the last time, but nah, nah, nah, nah
Just like the last time, yeah, nah, nah, nah, nah
Tired of building up my walls, yeah
Just to watch them fall again

So fuck this love callin' my name
Get out of my veins
If you need your space, then just walk away
You know how to fuck me up, then make it okay
I guess that's just your game, and I'm the one who gets played
Again, and again, and again, and again

Maybe you should set me free
Maybe I don't really want you to
Maybe I just wanna be
Be the person that you just can't lose
No, there I go and fall again

Fuck this love (yeah, yeah) callin' my name
Get out of my veins (get out of my veins)
If you need your space, then just walk away
You know how to fuck me up, then make it okay
I guess that's just your game (that's just your game)
And I'm the one who gets burned
Again, and again, and again, and again, and again

Oh, oh, again
Oh, no
Here I go again
