

How long by Charlie Puth

I'll admit, I was wrong
What else can I say, girl?
Can't you break my head and not my heart
I was drunk, I was gone
But don't make it right
But promise there were no feelings involved

She said "Boy, tell me honestly
Was it real or just for show?"
She said "Save your apologies"
Baby, I just gotta know

How long has this been going on?
You been creeping up on me
While you calling me baby
How long has this been going on?
You been acting so shady (shady)
I've been feeling lately, baby

I'll admit (admit)
It's my fault (my fault)
But you gotta believe me
When I say it only happened once
I tried and I tried
But you'll never see that
You're the only I wanna love, ooh yeah

She said "Boy, tell me honestly (honestly)
Was it real or just for show?"
She said "Save your apologies"
Baby, I just gotta know

How long has this been going on?
You been creeping up on me (on me)
While you calling me baby (baby)
How long has this been going on?
You been acting so shady (shade)
I've been feeling it lately, baby

She said "Boy, tell me honestly (honestly)
Was it real or just for show?"
She said "Save your apologies"
Baby, I just gotta know

How long has this been going on?
You been creeping up on me
While you calling me baby
How long has this been going on?
You been acting so shady
I've been feeling it lately, baby
