

Slow It Down by Charlie Puth

I got a situation, this girl been stressin' me  
Sayin' she better be the only one  
My life is complicated, she's only 23  
I'm not the guy that she's supposed to love

Oh, the more that I tell her I'm not stayin' over  
The harder she makes it to go  
Oh, the more that I try to convince her this won't work  
The faster she takes off her clothes

Girl, you gotta slow it down (girl, you gotta slow it down)  
I'm not tryna fall for you  
Girl, you gotta slow it down (girl, you gotta slow it down)  
I can't give it all to you  
Even though I want to

She knows just what she's doin', she's f-'in with my head  
Wrappin' her legs so tight around my waist  
Two in the afternoon, but, we still ain't out of bed  
No matter what, she always gets her way

Oh, the more that I tell her I'm not stayin' over  
The harder she makes it to go (you make it so hard to go)  
Oh, the more that I try to convince her this won't work (oh)  
The faster she takes off her clothes

Girl, you gotta slow it down (girl, you gotta slow it down)  
I'm not tryna fall for you  
Girl, you gotta slow it down (girl, you gotta slow it down)  
I can't give it all to you  
Even though I want to

Even though I want to, oh, yeah

You got to slow it, slow it down, baby

You got to slow it down

You don't know what you're doin' to me now

You got to slow it, slow it down, baby

Oh

You got to slow it down

Oh

Girl, you gotta slow it down (girl, you gotta slow it down)

I'm not tryna fall for you (I'm not tryna fall, baby)

Girl, you gotta slow it down (girl, you gotta slow it down)

I can't give it all to you

Even though I want to

Girl, you gotta slow it down, yeah, yeah
